It is my pleasure to inform that in order to ensure transparency the process of admission has been simplified and applications for JNVST 2018 has been made online, in collaboration with Common Service Centers (CSC) of Ministry of IT, Govt. of India, CSC have their centres located in more than 2.6 lakh locations covering almost all village areas. In the process of collection of application form, CSCs will be assisting the candidates/Parents to upload their details by charging a service charge of Rs.35/-. They will also assist downloading and printing of the admit cards for test with a service charge of Rs.10/. This will minimize the hardships of the parents and time taken for processing the applications. Further due to the digital process, accurate information will be collected from the applicants. Last date of submission of application forms is 25th November 2017. This will be followed by individual confirmation and intimation of further steps through mobile to all the parents. The detailed prospectus is attached for your kind perusal. As per simplified procedure, a certificate regarding their age, eligibility, residence, in the given format, have to be uploaded after due authentication of Headmaster / Principal of the School, wherein student is studying in Class V at present.

Admission to JNVs is made at the level of Class VI on the basis of a test conducted on All India basis. For admission of students in Class VI for academic session 2018-19, entrance examination is scheduled to be held on 10th February, 2018, 8th April 2018 and 9th June, 2018 for summer bound, winter bound and extreme winter bound JNVs respectively.

While NVS is making all efforts to give adequate publicity to this examination, your support and cooperation in disseminating about NVS and the entrance examination would be of immense help. I have advised the regional Deputy Commissioner to apprise you of the same personally.

: 2 :

I request yourself to kindly issue instructions to District officials including District Education Officers and Head Masters of all Primary Schools to give adequate publicity for this on line application for the examination and encourage the children to seek admission in Jawahar Navodaya Vidyalayas in Class VI. This will help in enrolling more students, particularly girls, SC, ST & minority children for admission to Class VI for the ensuing Jawahar Navodaya Vidyalaya Selection Test (JNVST).

I will be grateful for your support and guidance in successful completion of this task.

With deep regards,

Yours sincerely,

(Bishwajit Kumar Singh)

Dr. Usha Titus
